

Calverley C of E Primary School Parents' Forum Newsletter

The Parents' Forum was set up as a means of communication directly between Parents and the School Senior Leadership.

There are of course, mechanisms of communication already in the school for specific problems or concerns. Parents can see the class teacher, or Mrs Putsman direct. This can often be without prior appointment, especially if the matter is causing serious concern.

The Parents' Forum discusses issues relating to the strategic direction and smooth running of the school which affect the whole school, a Key Stage or a Year Group. The topics are wide ranging, from curriculum, to cultural, to structural and beyond. We celebrate the good and talk through areas for improvement, as well as acting as a consultation group.

To give you a flavour, here are some of the items we have recently discussed:

- School website
- Buildings
- Class sizes
- Curriculum issues
- Uniform

If you would like to be involved with the Parents' Forum you can contact the school and put your name forward or e-mail us at the address below.

We meet in the staffroom at 4pm and finish by 5.30pm.

These are the dates of the meetings for the rest of the year.

Thursday 28th February Tuesday 15th April Thursday 19th June

If you have an issue, an idea or any feedback that you feel is relevant to be raised at the forum, see a representative or e-mail us at

calverleycofeforum@googlemail.com.

All feedback from meetings will be given via the newsletter. Please remember that many minor or personal issues can be resolved quickly by having a word with the class teacher in the first instance.

If in doubt - ask!

A website that you may all find useful is www.parentsintouch.co.uk. Packed with useful information (including SATs questions and top tips!)

We look forward to hearing from you, the Forum is a positive form of communication, don't be afraid to use it.
